

Spinning wheels

David Collins
Op. 90

8 $\text{♩} = 98$

Voice 2

Voice 1

Guitar

5

The sun's light has fa - ded But we still

9

still walk for mi - - - - les

Still walk for mi - - - - - les

We walk past ri - vers un - der ne - on lights The col - oured birds in si -

- lent fl - - ight Spi - - nning

wheels, tee - - nage

29

dreams I - ma-gine that these streets

33

could speak, what se-crets would the stones re - ve - al? Lo-vers' whi-spers, chi-

37

- ldrens' song, a singing dancing carn - i - val. What se - crets?

41

The rain-drops strike the sheets of lead The wheels spin

47

softly on the road a - head The rain - drops fall, the

52

lights turn red The wheels turn slow-ly ov - er

56

Rain - drops fall, the
 the ro - ad a - h - ead Keep a brave

60

lights turn red The wheels turn slow - ly on the
 face Stay now till the

64

road a - head Street lamps, head -
 last mile Till the last step we

6
68

lights Wheels spin in the
take Rain - drops fall, the

72

fast lane From the side - - lines we
lights turn red The wheels turn slow-ly on the

76

gaze
road a - head

80

gaze road a - head
